CCPS MIDDLE EAST PROCESS SAFETY CONFERENCE

09 - 11 October 2017

Bahrain International Exhibition and Convention Centre

Organized by:

Regional Hosts:

WELCOME LETTER FROM CCPS

Shakeel Kadri
Executive Director, CCPS

Dear Process Safety Professional,

On behalf of the Center for Chemical Process Safety (CCPS) of the American Institute of Chemical Engineers (AIChE), I am delighted to extend a warm welcome to all professionals and companies across the region and invite you to participate at the 2nd Middle East Process Safety Conference (CCPS-MEPSC). The event will be held at the Bahrain International Exhibition Centre from 09 - 11 October 2017. The conference days will feature plenary sessions and technical streams.

Based on the success of the flagship Global Congress on Process Safety, the CCPS-MEPSC event has been established to build a regional platform for those in the process safety network to gather together, to share our industry's chemical management practices, as well as to exchange practical experience with invited experts from AIChE. These activities bring enormous benefits to the chemical industry as a whole, and to other stakeholders.

I would like to thank you all for your support and contributions, and we do hope that you will be able to join us at our forthcoming Process Safety Conference.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Shakeel H. Kadri'.

Shakeel Kadri
Executive Director, CCPS

CCPS-MEPSC 2015 HIGHLIGHTS

746

Conference participants

60

Hours of knowledge-sharing over 2 Days

54

Renowned names in the Technical Program

22

Sponsors and exhibitors

Opening Session with CEOs of ADCO, GASCO and Borouge

Exciting Student Program with participants from 5 Universities

Well-attended CCPS-led Pre-conference workshops

Participants' Profile

- Process Safety Engineers and Leaders
- Manufacturing and Operations Leaders
- Senior Leaders whose role involves operations
- Compliance Officers & Inspectors
- Process Industry Professionals
- Managers, Scientists and Educators

CCPS-MEPSC 2015 DEMONSTRATED TREMENDOUS ADVANCES IN PROCESS SAFETY

- The American Institute of Chemical Engineers (AIChE) and its Center for Chemical Process Safety (CCPS) organized the largest process safety conference to ever take place in the Middle East in Abu Dhabi, United Arab Emirates, on May 20-21, 2015. The conference, themed "Process Safety: Journey Towards Excellence", drew 746 delegates from more than 100 organizations, along with 22 sponsors and exhibitors from the oil & gas, chemical, agrochemical and power industries.
- CCPS-MEPSC was executed under the leadership of the Advisory Committee Co-Chairmen, Bakheet Al Ameri, Manager-Corporate HSE Division, ADNOC, and Otis Shelton, AIChE past president, along with the strong guidance of the Technical Committee which was co-chaired by Shakeel Kadri, Executive Director, CCPS, and Mohammed Al Sayed Al Hashmi, VP-HS, ZADCO.
- Under the theme "Process Safety: Journey Towards Excellence", the conference disseminated the latest in process safety metrics, management of change, process safety leadership and culture, mechanical integrity, lessons learned and best practices, inherently safer design, hazard identification and risk analysis, pre-startup safety review & incident management, and business continuity.
- In-depth technical workshops prior to the event delved into process safety leadership and risk based process safety. The conference also aimed to develop youth interest in process safety via its Student Program which featured exclusive speakers and Q&A sessions.
- Social programs and networking events spread across the event days gave all attendees unparalleled interactive opportunities with peers at CCPS-MEPSC.

CCPS-MEPSC 2017

Topics

- Hazard Identification and Risk Analysis
- Incident Management and Business Continuity
- Inherently Safer Design
- Lessons Learned and Best Practices
- Management of Change
- Mechanical Integrity
- Pre-Startup Safety Review
- Process Safety Leadership and Culture
- Process Safety Metrics

CCPS-MEPSC Technical Committee

Chairman

Yasser Abdulrahim Alabbasi

Plants Operations Manager,
Gulf Petrochemical Industries Co.

Co-Chair

Louisa Nara

Technical Director, CCPS

Members

Name	Position	Company
Abdel Hadi Al Suhaimi	Vice President Operations	Saudi Chevron Phillips
Abdullah Hassan Al-Qahtani	Chief Engineer, Process Risk Management EHSS	SABIC
Abdulrehman Aldeeb	Chief Engineer & Process Safety Consulting Manager	Siemens Energy
Alistair Moat	Consulting Services Manager	ABS Group Inc.
Andrew Bartlett	OPEX Consultant & Petrotechnics, ME Lead	Petrotechnics
David Moore	President & CEO	Acutech Consulting Group
Hafedh Al-Qassab	General Manager, Refining	The Bahrain Petroleum Company (BAPCO)
Larry Bowler	Process Safety & Risk Technical Manager	SABIC
Manny Cabrera	Operations Leader Dow Performance Monomers	The Dow Chemical Company
Mohammad I. Alnashwan	Group Leader Process Safety Group	Saudi Aramco
Mohammad M. Al-Qarni	Director, Process Risk Management, EHSS	SABIC
Nathan Turner	Senior Consultant and Turkish, Market Leader	DuPont Sustainable Solutions
Robert Uitdewillegen	Director, Process Safety	Sadara Chemical Company
Sam Alawar	Senior Partner	ioMosaic Corporation
Sohail Rabbani	Team Leader Process Safety	Orpic
Umesh Dhake	Asia-Pacific Regional Manager	CCPS
William Bridges	President	Process Improvement Institute Inc.

The program is especially relevant for:

- CEOs, Technical VPs and SVPs in HSE
- Process Safety Engineers and Leaders
- Manufacturing and Operations Leaders
- Senior Leaders whose role involves operations
- Compliance Officers & Inspectors
- Process Industry Professionals
- Managers, Scientists and Educators interested in Process Safety and Process Industry issues

WAYS TO PARTICIPATE

SPONSOR

Endorse your support for the industry's drive towards a zero-harm culture and enhance your visibility

EXHIBIT YOUR SOLUTIONS

Benchmark your product against other solution providers. Dramatically increase your sales leads and turnover by meeting and interacting with MEPSC attendees

ATTEND AS A DELEGATE

Find yourself amidst the movers and shakers of the process safety world. Join in on panels, keynotes and technical presentations with the region's best Process Safety experts

SPONSORSHIP INFORMATION

General benefits to all sponsors:

- Logo branding and marketing benefits
- Access to delegates list
- Complimentary delegate passes
- Complimentary equipped space

Exclusive benefits:

Each sponsor may select one exclusive package, reserved on a first-come, first-served basis.

**CCPS member companies
will be entitled to a
10% discount**

PLATINUM SPONSORSHIP	USD 40,000
GOLD SPONSORSHIP	USD 25,000
SILVER SPONSORSHIP	USD 15,000

EXHIBITOR INFORMATION

Package 1

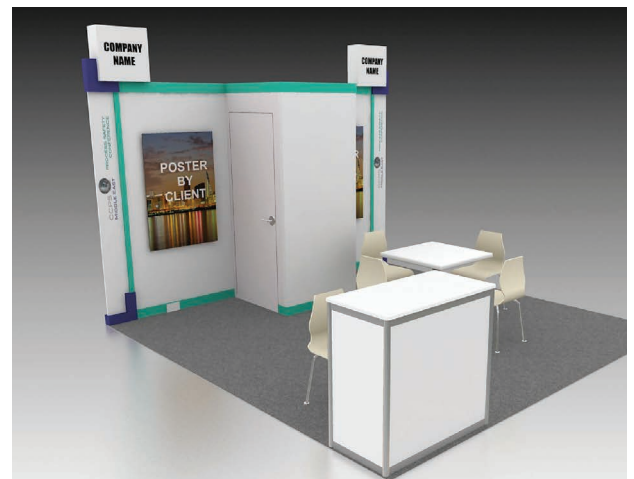

- 9 sqm equipped space
- USD 5,355

Package 2

- 12 sqm equipped space
- USD 7,140

Package 3

- 16 sqm equipped space
- USD 9,520

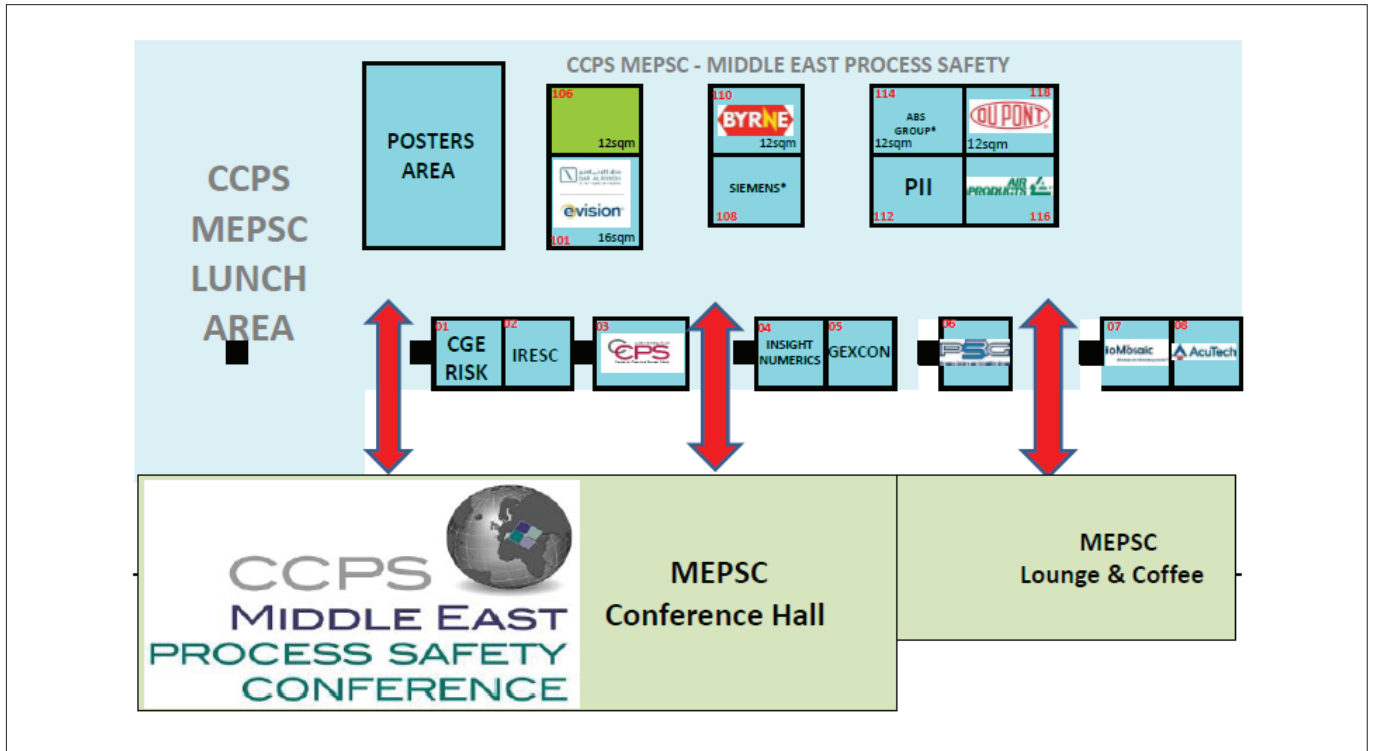

The exhibition stand rules and regulations, covering liability and risks during the exhibition, as well as further rules and regulations pertaining to the exhibition can be found in the Exhibitor Manual.

Equipped package includes:

- Wooden Structure
- Fascia Name
- Carpet
- Three (3) Chairs
- One (1) Twin Socket
- Lockable Storage
- One (1) Table
- One Lockable Counter
- One (1) Waste Bin
- Three (3) Track Lights
